Customer FAQ

Parts Unlimited East Africa | Frequently asked questions | Edition 2026

Fictional document created for a RAG portfolio project. All answers describe an invented company.

1. Products

Q1. What types of parts does Parts Unlimited sell?

We sell replacement parts for passenger cars, SUVs and light trucks in five categories: Brake Systems, Engine Components, Filters, Electrical Components and Suspension Components. Our house brands are ProStop, Vanguard, CleanFlow, VoltCore and RoadLine.

Q2. Does Parts Unlimited install the parts it sells?

No. Our stores do not perform vehicle repairs or part installation. Stores can read OBD-II fault codes for free, and our Garage Partner Directory lists independent garages that fit our parts. Some parts, such as the Vanguard Timing Chain Kit (ENG-2030), need specialist tools, so we recommend a qualified mechanic.

Q3. Do you sell brake fluid, and can I return it?

Yes. ProStop DOT 4 Brake Fluid, 1 litre (BRK-1020) costs UGX 48,000. Once opened, fluids cannot be returned, and consumable fluids are not covered by warranty.

Q4. Which countries do you serve?

We have stores and deliver in Uganda, Kenya, Tanzania and Rwanda. We do not deliver to other countries.

2. Ordering and Payment

Q5. How do I place an order?

Order on www.partsunlimited.example, in the mobile app, in any of our 58 stores, on WhatsApp on +256 700 555 142, or by calling Customer Care on +256 414 555 142. Pro Account customers can also order through the Pro Portal.

Q6. How can I pay?

Online and in the app you can pay with MTN Mobile Money, Airtel Money, M-Pesa (Kenya and Tanzania) or a Visa or Mastercard bank card. In stores you can also pay in cash. Cash on delivery is available in Greater Kampala and Nairobi for orders up to UGX 500,000. Pro Accounts can pay by bank transfer.

Q7. Is there a limit on how many of the same part I can order online?

Online retail orders are limited to 10 units of the same SKU. For larger quantities, open a Pro Account.

Q8. Can I cancel or change my order?

You can change the delivery address while the order status is 'Processing'. Once an order is 'Shipped' the address cannot be changed by Parts Unlimited. Contact Customer Care as soon as possible if you need to cancel.

3. Wholesale Customers

Q9. How do I become a wholesale (Pro Account) customer?

Garages, fleets and transport operators can apply for a Pro Account through any store, the website or the Pro Desk on +256 414 555 167 or pro@partsunlimited.example.

Q10. What do Pro Accounts receive?

Pro Accounts receive account pricing, bulk ordering and invoices through the Pro Portal, a dedicated Pro Desk (Monday to Friday, 7:00 am to 6:00 pm EAT), net-30 payment terms after 90 days of account history, and free standard shipping on orders of UGX 200,000 or more in Uganda (UGX 300,000 or more in Kenya, Tanzania and Rwanda).

Q11. Do Pro Accounts have a different return policy?

No. The same 45-day return period and warranty periods apply to Pro Accounts and retail customers.

4. Delivery

Q12. How long does delivery take?

Standard delivery takes 1 to 2 business days in Greater Kampala, 2 to 3 business days in western and south-western Uganda, 2 to 4 business days in the rest of Uganda, Kenya and Rwanda, and 3 to 5 business days in Tanzania.

Q13. How much does shipping cost, and when is shipping free?

In Uganda, standard shipping costs UGX 10,000 in Greater Kampala and UGX 20,000 elsewhere for orders under UGX 300,000, and is free for orders of UGX 300,000 or more. In Kenya, Tanzania and Rwanda, shipping is free for orders of UGX 450,000 or more.

Q14. Can I get my order faster?

Yes. Same-day delivery costs UGX 30,000 in Greater Kampala (order before 11:00 am EAT). Next-business-day delivery costs UGX 45,000 in Greater Kampala and Nairobi (order before 12:00 pm EAT). Two-day delivery costs UGX 35,000 in Uganda, Kenya and Rwanda (order before 2:00 pm EAT).

Q15. My order arrived damaged. What should I do?

Report it within 7 days of delivery through My Account, on WhatsApp or by phone, with photographs of the packaging and the item. We will send a replacement or refund you, and you do not pay for return shipping.

Q16. My address has no street number. How do I make sure the courier finds me?

Give a landmark, drop a map pin or enter a Google Plus Code at checkout, and provide a phone number that can receive calls. The courier phones before delivery.

Q17. Can you deliver to my P.O. Box?

No. We deliver only to physical locations. Choose store pickup or ship-to-store instead.

5. Store Pickup

Q18. How does store pickup work?

Store pickup is free. In-stock items are normally ready within 2 hours and you will receive an SMS or WhatsApp message. Bring your order number and a valid photo ID (national ID, passport or driving permit). Orders are held for 7 days.

Q19. What is ship-to-store?

Ship-to-store is free. If an item is not in stock at your chosen store, it is shipped there in 3 to 5 business days and held for 10 days after arrival.

6. Returns

Q20. What is the return period?

You can return eligible items within 45 days of delivery or purchase. The item must be new, unused, not installed and in its original packaging.

Q21. Can I return a part after I installed it?

No, not for a change of mind or an ordering mistake. An installed part can be returned only if it is defective and covered by warranty.

Q22. How long does a refund take?

Refunds are issued within 3 business days after the item passes inspection. Mobile money refunds normally arrive within 1 business day of being issued. Card and bank refunds may take a further 5 to 10 business days.

Q23. What is a core charge?

The VoltCore Alternator (ELC-4001) and VoltCore Starter Motor (ELC-4002) carry a refundable core charge of UGX 100,000. It is refunded when you return the old unit within 30 days of purchase.

Q24. Where can I return a product?

At any Parts Unlimited store, free of charge, in any of our four countries. For a change of mind you can also return by courier, in which case UGX 20,000 is deducted from the refund.

7. Warranties

Q25. What warranty do your parts have?

Warranty periods are: Brake Systems 24 months, Engine Components 24 months, Filters 6 months, Electrical Components 12 months and Suspension Components 36 months. The warranty covers manufacturing defects for the original purchaser.

Q26. What does the warranty not cover?

Normal wear (such as brake pad friction material), incorrect installation, accidents, modification, racing or competition use, overloading, poor-quality fuel, impact damage from potholes or road hazards, consumable fluids, and labour or towing costs.

Q27. Does the suspension warranty apply if I drive on unpaved roads?

Yes. Normal driving on unpaved roads is not an exclusion, and RoadLine suspension parts carry a 36-month warranty. Impact damage from potholes, kerbs or other road hazards is not covered.

Q28. Can I make a warranty claim in a different country from where I bought the part?

Yes. Claims can be made at any Parts Unlimited store in Uganda, Kenya, Tanzania or Rwanda. Bring your proof of purchase. Warranty claims are inspected within 5 business days.

8. Product Compatibility

Q29. How do I know if a part fits my vehicle?

Use the VIN Fit Checker on the website or mobile app. Enter your VIN or, for a Japanese-import vehicle, the chassis number from the vehicle plate or logbook. Compatibility guidance is also shown with each product in the Product Catalogue.

Q30. Why does the model year and market matter?

The same model name can use different brake, suspension or alternator parts depending on the year, engine and market it was built for. Front and rear parts are different SKUs, and left and right control arms are sold separately.

Q31. Is the CleanFlow fuel filter suitable for diesel engines?

No. The CleanFlow Fuel Filter (FLT-3030) is an in-line gasoline filter and is not for diesel engines.

9. Customer Support

Q32. How do I contact Customer Care?

Call +256 414 555 142 or message us on WhatsApp on +256 700 555 142, or use live chat, Monday to Friday 7:00 am to 8:00 pm EAT and Saturday 8:00 am to 5:00 pm EAT. We are closed on Sunday. Email support@partsunlimited.example and we reply within 1 business day. Support is available in English and Swahili.

Q33. Where is Parts Unlimited headquartered?

Our headquarters is at Plot 18 Meridian Close, Industrial Area, Kampala, Uganda.

Q34. I am a supplier. Who do I contact?

Email suppliers@partsunlimited.example. Our Supplier and Procurement Policy describes onboarding.
