Returns and Warranty Policy

Parts Unlimited East Africa | Effective January 1, 2026 | Version 3.0

Fictional document created for a RAG portfolio project. All policies, periods and amounts are invented for this demonstration.

1. Standard Return Period

Parts Unlimited accepts returns of eligible items within 45 days of the delivery date (online orders) or the purchase date (store purchases). Returns after 45 days are not accepted, except under the warranty described in Section 5. This policy applies in Uganda, Kenya, Tanzania and Rwanda, and to retail customers and Pro Accounts alike.

2. Return Eligibility

To be eligible for a return, an item must meet all of the following conditions:

- It is new, unused and has not been installed on a vehicle.
- It is in its original, undamaged packaging with all hardware, gaskets and instructions.
- You have proof of purchase (order number, receipt or account record).
- It was returned within 45 days of delivery or purchase.

Installed or used parts cannot be returned because of a change of mind or an ordering mistake. An installed part may be returned only if it is defective and covered by warranty (see Sections 4 and 5).

3. Non-Returnable Products

- Installed or used parts, except defective parts covered by warranty.
- Electrical components (alternators, starter motors, ignition coils and headlamp bulbs) once the sealed packaging has been opened, unless the part is defective. Electrical parts cannot be tested for fault by the customer before installation, so opened electrical parts are returnable only for a defect.
- Opened fluids and other consumables, including ProStop DOT 4 Brake Fluid (BRK-1020).
- Special-order items.
- Clearance items marked Final Sale.
- Items returned without their original packaging or with missing parts.
- Gift cards.

4. Defective Products, Replacements and Refunds

Defective products

If a product is defective when received or fails because of a manufacturing defect, contact Customer Care on +256 414 555 142 or WhatsApp +256 700 555 142 with your order number and photographs, or visit any store. Within the first 45 days we replace or refund the part after a quick review. After 45 days, the claim is handled under the warranty in Section 5.

Replacements

Defective parts are replaced with the same part at no cost, shipped by standard delivery free of charge. If the part is out of stock, we will offer an approved equivalent part or a full refund. A replacement part carries the remainder of the original warranty or 90 days, whichever is longer.

Refunds

- Refunds are issued to the original payment method (mobile money, card or bank transfer) within 3 business days after the returned item passes inspection. Mobile money refunds normally arrive within 1 business day of being issued; card and bank refunds may take a further 5 to 10 business days.
- Purchases paid in cash in a store are refunded in cash in that store or by mobile money.
- Store credit, if you prefer it, is issued immediately after inspection.
- Original shipping fees are refunded only when the return is due to a defect, a damaged shipment or an error by Parts Unlimited.
- Courier returns for a change of mind use a prepaid return label, and a flat UGX 20,000 is deducted from the refund. Returns to any store are free of charge.
- Core charge: the UGX 100,000 core charge on the VoltCore Alternator (ELC-4001) and VoltCore Starter Motor (ELC-4002) is refunded when the old unit is returned within 30 days of purchase.

5. Warranty Periods by Product Category

All Parts Unlimited house-brand parts are warranted against manufacturing defects in materials and workmanship. The warranty starts on the purchase date and covers the original purchaser only. Warranty claims can be made at any Parts Unlimited store in Uganda, Kenya, Tanzania or Rwanda, regardless of the country in which the part was bought. Proof of purchase is required.

Product category	House brand	Warranty period
Brake Systems	ProStop	24 months
Engine Components	Vanguard	24 months
Filters	CleanFlow	6 months
Electrical Components	VoltCore	12 months
Suspension Components	RoadLine	36 months

Categories with a warranty longer than one year (12 months) are Brake Systems (24 months), Engine Components (24 months) and Suspension Components (36 months). Electrical Components are covered

for exactly 12 months. Consumable fluids, such as ProStop DOT 4 Brake Fluid, are not covered by warranty.

6. Warranty Exclusions

The warranty does not cover:

- Normal wear, including brake pad friction material, rotor wear and filter loading.
- Damage from incorrect installation or use of the wrong part for the vehicle.
- Damage from accidents, collisions, fire, flood or impact with potholes, kerbs or other road hazards. Normal driving on unpaved roads is not an exclusion.
- Modification of the part, or use with parts that are not recommended by the manufacturer.
- Failure caused by lack of maintenance, overheating, fluid contamination or contaminated or poor-quality fuel.
- Use in racing, competition or off-road events, carrying loads above the vehicle's rated payload, or towing above the vehicle's rated capacity.
- Labour, towing, rental car or other incidental costs.
- Consumable fluids.

7. Return and Warranty Claim Procedure

- **Start the request.** Sign in to My Account and choose 'Return an item', call Customer Care on +256 414 555 142, message us on WhatsApp, or visit any Parts Unlimited store. Have your order number and the item's SKU ready.
- **Receive your return authorisation.** You will receive a Return Merchandise Authorisation (RMA) number by SMS and email. Write it on the package.
- **Send or bring the item.** Drop it at any store (free) or attach the prepaid label and send it by courier. For a warranty claim, include photographs and a short description of the fault.
- **Inspection.** Returns are inspected within 3 business days of arrival. Warranty claims are inspected within 5 business days.
- **Resolution.** You receive a refund, store credit or replacement. We notify you by SMS or email at each stage.
